Besty,

Can you believe it? It has finally arrived - time for us to leave N. H. S. We have had some wonderful times together, times that we will never forget. Remember how we used to go in English class first semester? It was a lot of fun. We never did get to double-date except once in a while of all our many plans. That was a crazy night - wasn't it.

You did a wonderful job as President Garden Club - we were "Zobies" a time. I didn't know we were so good!

I want to wish you the best of everything in the world for you truly deserve it. You are a wonderful girl and a wonderful friend. I hope we will be able to remain friends for a long, long time. May success and happiness be yours always.

Best wishes
Always your friend,
Jane Gardner

Petsey.

Haven't this been a year & 1/2? Remember the first time we double dated. Harry & G.I. We didn't hook much that night did we? But it was fun. Haven't we had some wild classes. Larsonson 317, Span II, Eng, Govt - why we spend practically the whole day together. We never laughed so much in my life as we used to in Span - you - Carol - Laurie - Suzanne. just to mention a few of the señoritas. Ah - Señor Peterson & Baker were cute, weren't they? I hope you find El Camino Real to your home life & hope it's easier than Span. You're a mighty cute girl - we've raised some cute Cain - that houseparty was the greatest I think many days did you have Sat. nights? Let's don't lose contact next year.

Lots of love,
Jane Beelamy

NHHS! Orange and black! What memories those words bring to the mind of anyone who has ever attended our school! This school has, through the years, developed a personality and a character all its own. Although there are thousands of high schools in thousands of cities and towns and villages all over the United States, there is no other that is exactly like ours. In this book, the HANOVERIAN of 1956, we should like to show you a few of the things that make our school different from all the rest — things that make it what it is. Our administration and faculty — we'll place them against the best anywhere else. Our student body — we're sure that a finer group of girls and boys just don't exist. And there are organizations in our school that no other school has — our unique student government, our fine ROTC unit, our outstanding music department. And we're absolutely certain that no school anywhere has a finer coaching staff or better teams or a more modern gymnasium than ours. And have you seen the envious glances that students from other places send toward our student union?

Yes, this school of ours has a character of its own, a character contributed to by each student here. We hope this book will help you to recall the things that made your days at N.H.H.S. a memorable experience.

Who eagerly awaits his 162 government students every day? Why Mr. William Bergeron, of course! As the students pour into his classroom, certain ones are informed with a slight gesture, "Watch out or you're gonna score today!" (This is Mr. Bergeron's good-natured way of reminding his garrulous students that a ninth period is the consequence of too much talking in class.) As the period begins with the ringing of the tardy bell, he immediately sets out on the task of training future citizens. We realize that he is a key to the future of America, for by his example many are led along the right paths of citizenry. By teaching the forms of proper government with the help of lectures, class discussions, and visual education (including his original drawings and illustrations), Mr. Bergeron fills an important need in our high school. The informal and friendly atmosphere of his class brightens the day for all his pupils. The class of '56 thinks he is "number 1 on their Hit Parade," and therefore they dedicate this, the '56 HANOVERIAN, to Mr. William Bergeron.

"All right—you've got one
— want to try for two?"

We think our principal is tops: to the teachers he's an able leader, to the Sophomores he's a mystery, to the Juniors he's a friend, and to the Seniors he's a real pal . . .

Seniors

That last year finally came; we were Seniors. We used our steps every chance we could; we began preparing for graduation. Many of us tried for college scholarships, and many of us received training for jobs in the very near future. All of us studied hard, keeping in mind our caps and gowns and those eagerly anticipated diplomas. Then the day of farewell came, and we said goodbye to our past world and looked ahead with dreams of a new life.

At last...

GWEN HAWLEY, *President*
PAT MERRITT, *Vice-President*
BARBARA WENBERG, *Secretary*

Looking back over our Junior year—"two down and one to go" in our high school career—we have many happy moments to remember: the day we received those long-awaited class rings and the successful performance of the cast in "One Foot in Heaven."

As the year whizzed by, members of our class took an active part in Student Congress work. Spring came and lent some of her splendor to the Junior-Senior, honoring our upperclassmen. Next our minds turned to the future joys of being tops—Seniors!

Sophomores

We the sophomores, class of '58, were the largest class yet to enter N.H.H.S. And, being true sophomores, we were baffled by program cards, the "up" steps and the "down" steps, and the elusive elevators. Individual report cards amazed us; our first exams horrified us. Through the year we have grown from the shy, uncertain students we were in September to a more mature class, looking forward to our Junior year.

Our unique STUDENT GOVERNMENT,

Betsy,

I have really enjoyed knowing you and being in your classes. I know success and happiness will always follow such a fine person. Best of luck always to a fine girl and a such friend. May God richly bless your life!

CHRIS BROWNING
Vice-President

JACK FALES

Secretary

Our Student Congress is the most outstanding and important organization of our school, for around it evolves all school activities. Composed of the Executive Council, the Senate, the House of Representatives, the Judges, the Judicial Marshals, the Co-ordinating Committee, and the Social Marshals, this vital organization carries out its duties and promotes closer student-faculty cooperation.

Composed of ten members headed by the Student Body President, the Executive Council is an absolute necessity in the administration of our Student Legislature. Its work is chiefly that of an advisory board to the Student Congress.

Both House and Senate are led by Jack Fales, Student Body President, and served by Chris Browning, Vice-President, and Helen

Romeo, Secretary. The Senate, composed of six members from each class and the class Presidents, formulates bills and originates finance legislation. The House of Representatives is truly the voice of the students, for the members represent the homerooms.

The Judiciary branch is composed of Judges and Judicial Marshals, who enforce all laws passed by our Student Congress.

The approval of the Co-ordinating Committee, two members from each house, is necessary before a bill is passed from house to house.

Assisting at school functions and sponsoring the May Dance, the Social Marshals are an active part of the Student Legislature.

Through the hard work and tireless efforts of the Student Congress, we have made our Legislature a merit to the entire Student Body.

Co-ordinating Committee

The Co-ordinating Committee plays an important part in our Student Government. When a bill is passed by the Senate or the House of Representatives, this committee decides whether it is necessary for it to be considered by the other house, thus saving time and work for the Student Congress.

Seated: Jimmy Allard (Chairman).

Standing: Pat Merritt, Terry Pridgen, Tommy Breeland, Susan Hardin.

One of the most important offices at New Hanover High School is that of Student Court Judge. These capable students, chosen by the House of Representatives and the Senate, are the ones who decide the necessary punishment for violators of our school's laws. The Judges choose a Chief Judge, who presides at court sessions to try all violators who are brought in by the Judicial Marshals. They also select a Clerk, who is responsible for the proceedings of the court business. Mr. Daniel Todd is the faculty advisor for this branch of the Student Government.

BERNICE D. BJONERUD — *Co-ordinator*

Co-operative Office Practice classes provide a practical vehicle by which the school and the employer can share a joint responsibility for the training of competent office employees. They give the students a preliminary view of the functions of a business office, add meaning to classwork, develop acceptable business behavior and proficiency in skill subjects, promote a wholesome attitude toward work, facilitate graduate placement, promote better public relations, and enable students to earn while they learn.

The Junior Varsity Football team, under the coaching of Mr. Jap Davis, set a superb record in 1955. The Junior Varsity competes with other high schools in the class "A" conference. Because of their outstanding spirit and determination, they ended the season with a record of seven victories and only three defeats. Their three losses were to very strong contenders. Earnest practice and hard playing were the primary interests of this group of fine teen-age sports enthusiasts.

Under the expert direction of Coach Brogden and Coach Davis, the 1956 Varsity Basketball team pushed forward to a victorious season. In conference play the 'Cats won eleven games while dropping only one to a determined Rocky Mount squad. Entering the State AAA Tournament as champions of the Eastern Division, the Wildcat five rolled over Asheville 71-65 in the opening round of play. In the semi-finals, Wilmington tangled with Durham and emerged on the long end of a 65-53 score, thus earning the right to meet Raleigh in a struggle for the championship. In a hard fought battle that was up-hill most of the way, Wilmington came from behind in the closing minutes to defeat Raleigh 55-50. Thus the Wildcats were the State Champions for the first time since the 1951 season.

Co-captain Danny Casteen was named most outstanding player in the conference as a result of his fine work, and Billy Fennell was also named on the first All-Tournament team.

Coach Brogden said that he was very proud of the spirit and attitude of this year's team, and that he was especially proud of the results obtained.

The Junior Varsity Basketball team consists of the Sophomores who were outstanding athletes in Junior High school sports. As one sees these Wildkittens in action, he sees our future Varsity Basketball team in the making. None of the Junior Varsity's players are exceptionally tall, but they make up for their lack of height in spirit and a great desire to play basketball.

Varsity Baseball

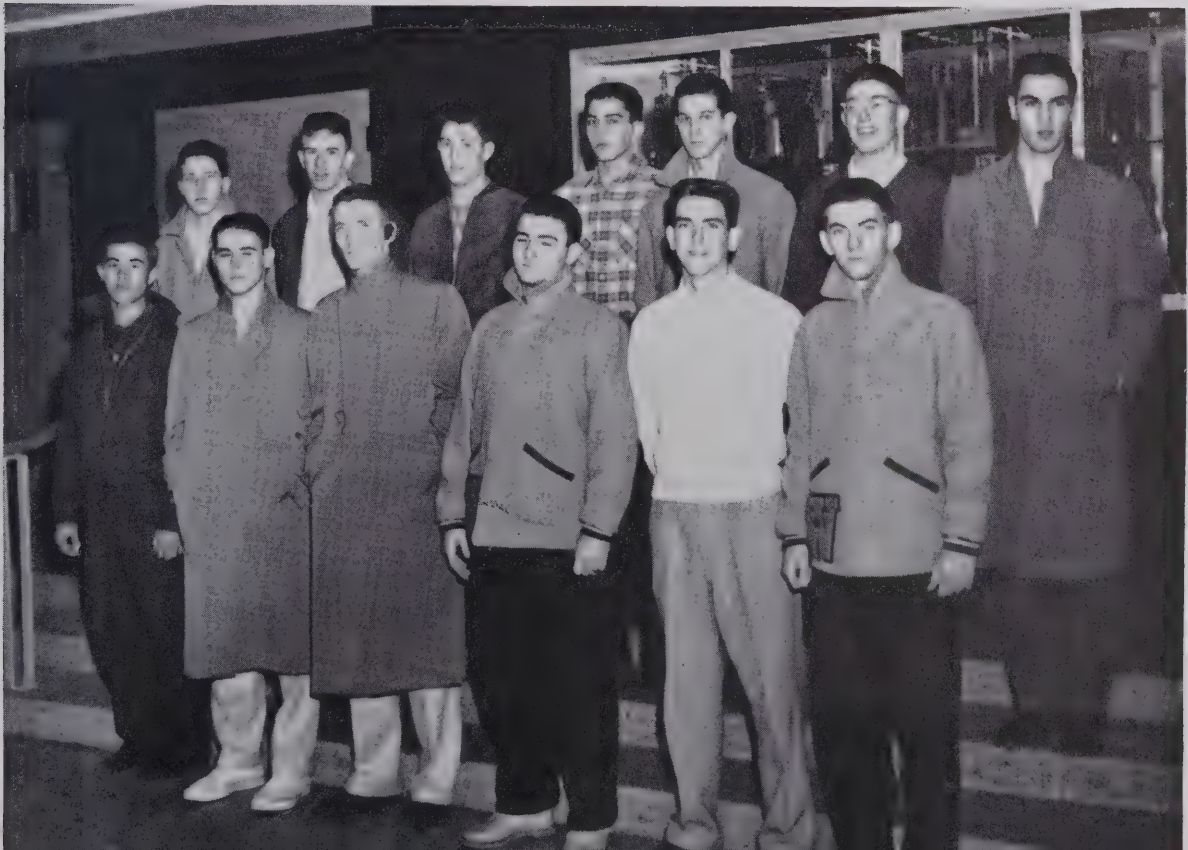

The 1955 Baseball team finished a highly successful season by winning the Eastern Conference Championship for the second consecutive year. In the state playoffs, they lost a heart-breaking game to the strong Salisbury team from the Western Conference. Seven members of this championship team returned to lead the 1956 squad to another winning season. Team practice began in March, at which time the co-captains for the year were chosen. The N.H.H.S. nine played games with all the other conference teams and also slugged it out with several non-conference foes.

One of the greatest assets to our athletic department is the school spirit created by the cheerleaders. At the football and basketball games this year, the untiring efforts of the cheerleaders to lead yells and the magnificent cooperation of the student body have made this an outstanding year at N.H.H.S.

Coaches

Our teams were coached to perfection in the '55-'56 season by Leon Brogden and his staff. Because of his untiring efforts to teach good sportsmanship and skillful playing, Coach Brogden has become an ideal throughout the student body. Jap Davis assisted Coach Brogden in the coaching of the Varsity Football and Basketball teams and was in charge of Tennis and Golf teams. Invaluable aid and splendid coaching were given to the Junior Varsity teams by Winfred Johnson. The enthusiastic and qualified coach of the Baseball team was Billy Brooks. Meanwhile, the competent Coach Wooten directed the practice of our unmatched Swimming team. This combination of six men led the teams of N.H.H.S. to success and state recognition.

Hi Bummy;

Chick, It makes me so sad to write in your annual because it makes me realize that this crazy, mixed-up, wonderful year is coming to a close and we'll be graduating the 31st of May. In a way, I can't wait, but I hate to think that this will be the last time we'll be together again in school, for you'll be at E.C.C. and I'll be journeying over to ^{to} Class of '56, you'd certainly better come over and visit with me a lot next year! I hope to get to go over and see you a little also.

Betsy, I "The World's Finest Motor Cars" begin to tell you how much you have comforted me this year with all my problems. You were so sweet to listen to all those crazy things. You had a few yourself! Please let's don't forget all the good times we have had weather, raising heck and just shooting the bull. It was great and please let's don't lose contact of each other even though we won't be in school together.

Chick, I want to thank you for being so sweet to me while I was in the hospital, and for all the other wonderful things you have done for me. A more perfect friend could never be found. Betsy I'm gonna cry when you go to E.C.C. but I do want to wish you loads of luck & success. Stay the same sweet chick you are and all the rich treasures in life will be yours. Be good hon, and you'll always be my best friend!!!

Dear Betsy,

You're wonderful, you're sweet and you're beautiful and you are my friend. All the wonderful times we have this year and even the bad times, we have been through them together. We've been happy, we've been sad, we've been good and we've been bad, but we have come through in one piece.

Will we ever forget the doors that weren't closed the curves we slid around and even Spanish class. Remember Christmas holidays and the day you, Joan, and I(?) rode to the beach? Our times have been great. Good and bad.

And now to top it off this houseparty, are we going to raise some ———, I'd hate to say we weren't.

Betsy, you have all the pep punch and personality it takes to win everyone as your friend. ^{Stay} ~~Be~~ the sweetest in the world and I'll see you at E.C.C. next year. What more hell? I'll love you always.
Weese

Dear Betsy,

We really have had fun together since I changed. You are one of the greatest jobs I know and I hope we can continue to have as much fun as we have had in the past.

This party is going to be a great one - huh!

Betsy, stay just as sweet and full
you are.
